EAB Tree Replacement Program

Many of the parkway trees have fallen victim to the Emerald Ash Borer (EAB). Over the summer Public Works will be removing infected parkway trees. If you lose (or have lost) your parkway tree due to EAB, the Village will offer a tree replacement program that will become available in August. Tree planting is typically done in the fall.

Round Lake Beach Scholarships Winners

Round Lake Beach Scholarship winners are congratulated by Mayor Rich Hill (far right). They are John McShane (left), Grayslake North High School. He will be majoring in Mechanical Engineering. Kevin Perez, (center) Round Lake High School, will be attending Notre Dame with a Liberal Arts/Finance major. Kevin Peralta, (right) Grant Community High School, will be attending University of Illinois and majoring in Mechanical Engineering.

From the Mayor

New Trustees Welcomed

You elected two new Trustees in April, Kevin Wallace and Linette Benes. They were both on the Plan Commission and work very hard for you. Welcome to both of them and thank you for serving your community.

A BIG thank you to the Cultural & Civic Center Foundation, and especially newly-elected

Trustee Kevin Wallace for spear-heading BeachFest this year. A lot of work goes into this event and these people are all volunteers. Any profits from BeachFest will be used by the Foundation to sponsor the Children's Summer Concert Series, help purchase needed items and improvements for the Center, help to promote the Center, etc.

High heat and storms are common this time of year. Be prepared at home with items necessary to get through a power outage. Check the Illinois website for a list at: <http://www.ready.gov/basic-disaster-supplies-kit>

ComEd's Outage Alerts Program Allows Two-Way Texting. Text "OUT" to 26633 to report your

Mayor

outage! To learn more about Outage Alerts, visit ComEd.com/text.

Be sure to enjoy your summer by visiting our beautiful parks and lakefront in Round Lake Beach with your family and friends!

From the Round Lake Beach Police Department

National Night Out, Parking Regulations and Cell Phone Use

National Night Out

Come out to the Round Lake Beach Lakefront and join the Round Lake Beach Police Department in celebrating National Night Out. The event will be held on August 4 this year.

We will be joined by other community organizations and we will, once again, be serving 1,500 hotdogs. Other events include face painting, a farmers market and the popular car show. Cars will arrive at 5:00 pm, food served at 6:00 pm and the event will conclude by 8:00 pm.

Parking on the Sidewalk

It has been a beautiful summer and it is nice to see so many neighbors

Grilling up hot dogs at National Night Out.

walking in the community. Remember do not park on the sidewalks. Officers will be issuing tickets for cars parked over the sidewalks. The village ordinance reads: Section 5-3-1 A3. Parking Restrictions - *no person shall stop, stand or park any type of motorized vehicle on or over a sidewalk. A violation of this Village ordinance could result in a ticket of not less than \$40.*

Handheld Cell Use while Driving

In Illinois a person may not operate a motor vehicle on a roadway while using an Electronic Communication Device. The statute defines an Electronic Communication Device as an electronic device, including, but not limited to a handheld wireless telephone, handheld personal digital assistant, or a portable or mobile computer.

The fine for the first offense is \$75; the second offense is \$100; the third offense is \$125; and the fourth and all subsequent are \$150.

This does not apply if:

- ✓ You are communicating an emergency.
- ✓ The Electronic Communication Device is in hands-free or voice operated mode.
- ✓ You are parked on the shoulder of the roadway.
- ✓ You are stopped in normal obstructed traffic and the vehicle is in park or neutral.
- ✓ The Electronic Communication Device is capable of a two-way voice communication with the push of a single button.

From the Department of Public Works

Free Mulch Available

Free mulch is available to Round Lake Beach residents at the Public Works Facility located at 911 Lotus Drive. Mulch is generated from tree trimming and removal. Residents are invited to bring their own shovel and containers. Mulch is available at any time - no appointment is necessary.

Clothing and Textiles

Clothing and textiles may be dropped off at any time at the Public Works Facility. Please put items in the box on the eastside of the driveway at 911 Lotus Dr.

Yard Waste/Leaf Pickup

Yard Waste stickers can be purchased for \$2.60 each at the Round Lake Beach Village Hall (1937 Municipal Way), Jewel Food Store (900 E. Rollins Road) and Ace Hardware (659 Railroad Avenue).

You may dispose of leaves and other yard waste in brown paper yard waste bags or in 32-gallon cans marked yard waste with yard waste stickers on them. Residents may put out six bags or six 32-gallon cans per week. If you already subscribe to the yard waste program, you do not need a yard waste sticker. Maximum weight per bag or can should be less than 50 pounds. Branches must be bundled and tied with string or twine and have a yard waste sticker on them. Individual branches and limbs may be no thicker than 2 inches in diameter.

The Village picks up tree limbs/debris only after a storm.

Summer Maintenance Reminders

In the summertime residents spend more time outdoors. That's why it is important to maintain your property. Grass should be cut regularly and kept weed free. This helps prevent ticks as they like to lurk in the tall weeds.

Garbage cans may be at the front curb/ditch line no more than 24 hours before and/or after scheduled pickup day. They should be kept in the rear of your yard after pickup.

Keeping your property maintained helps improve property values in your neighborhood to the benefit of everyone.

Sun, Summer and Mosquitoes

Almost 100 acres will be treated by hand, backpack and helicopter within the Village this summer to reduce nuisance mosquito populations and prevent the spread of West Nile Virus. Over 2,000 street side catch basins will be treated by technicians on bicycles in June/July to help reduce mosquito breeding in the underground water systems.

Four adult mosquito control treatments will be performed during the season to kill adult mosquitoes. These treatments are performed based on adult mosquito surveillance in the area and are not prescheduled. If you would like to be notified prior to spraying, please contact the Mosquito Hotline at (800) 942-2555 and asked to be placed on the "Prior Notification" list for the Village.

Homeowners are encouraged to report stagnant water (3 days or more) on their property to the Mosquito Hotline. Empty water from flower pots, kiddie swimming pools, pet food/water dishes, birdbaths and swimming pool covers at least once or twice a week.
