Annual Holiday Tree Lighting A Village Tradition!

Friday, November 27 6:15 pm - Santa arrives by Fire Truck
the day after Thanksgiving 6:30 pm - Village Tree Lighting

Join us for an evening of fun as the Village of Round Lake Beach hosts its annual Holiday Tree Lighting! Our evening begins at the Village Hall with the arrival of Santa and Mrs. Claus on a Fire Truck at approximately 6:15 pm. Shortly after, the annual lighting of the tree will begin.

After the tree lighting ceremony, everyone is invited to warm up next door at the Cultural & Civic Center. Children can enjoy a visit with Santa and Mrs. Claus, crafts and much more!

Invite your friends and family for hot drinks and treats. The first 150 families at the Center will receive a "Round Lake Beach Holiday Shopping Gift Bag" filled with coupons to help you save and keep your Christmas shopping local.

Holiday Home Decorating Contest Light Up the Holidays in Round Lake Beach

Round Lake Beach residents are invited to join in the annual Holiday Home Decorating Contest. Judging runs from **December 1-20**. Registration is not necessary, but you may nominate your home or another by contacting the Center at (847) 201-9032 or rlbeachcenter@rlbeach.org. Awards will be presented at a January Village Board meeting.

Village Hall Closed

Thursday, November 26; Friday, December 25; Saturday,
December 26; and Friday, January 1.

From the Mayor

Shop for the Holidays in Round Lake Beach

As we head into the Holiday season, it is important that we remember the need to shop locally. The Rollins Road and Route 83 underpass is complete so getting to our stores will be a breeze. We have a great selection of stores

for almost any need. By shopping locally you create jobs for our residents, the business creates a tax base for our schools, park district, etc., and the village receives the sales tax revenue.

Without the sales tax revenue the village would

either have to reduce services (cut public works, police, etc.) or raise property taxes, which none of us wants to do. You also save yourself time in travel and help preserve our environment by driving less, thus using less fuel. And with the cost of gas

nowadays that could be a considerable savings.

Have a safe and memorable holiday season with your family and friends!!!

Richard H. Hill
Mayor

From the Round Lake Beach Police Department

The annual Shop with a Cop event is rapidly approaching and we need your help. Our goal is to raise \$5,000 between now and Thanksgiving and then take 50

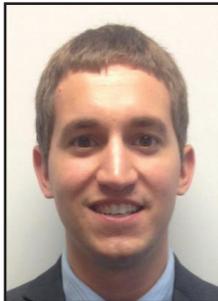

kids Christmas Shopping. The entire program is run with volunteers so all donations go directly to the children. Please make checks payable to the Village of Round Lake Beach. Donations may be tax deductible to the extent allowed by law.

New Police Officers

Two new police officers recently returned from the Suburban Law

Enforcement Academy and have entered the Field Training Program. Please welcome Jeremiah Scheithe (right) and Roxana Stancioiu (left) to the village police department.

Welcome back Dan Kaiser and Kariann Hill. They have returned to work at the police department after extended absences.

Emergency Management Tips for Winter

Before winter storms and extreme cold weather make sure you have the following supplies:

- Rock salt or an environmentally safe product to melt ice on walkways and driveways
- Snow shovels and other snow removal equipment
- Adequate clothing and blankets to keep you warm during winter storms and extreme cold weather

More tips

- Stay indoors if possible and bring all pets inside
- Avoid over exertion when shoveling snow. Take breaks often and make sure you push the snow instead of lifting
- Keep dry. Change wet clothing frequently to prevent a loss of body heat.
- Drive only if necessary and if you must, make sure you make someone aware of your destination and your route. Have extra blankets and clothing in the vehicle in case you become stranded.
- Maintain ventilation if you use kerosene heaters to avoid the build-up of toxic fumes.

For more information please go to <http://www.ready.gov/winter-weather>.

From the Department of Public Works

Snow and Ice Control

In the winter months parking on Village streets can create a problem when there is snow. Here are some helpful rules:

- ❖ No parking on Village streets from 2:00 - 6:00 am.
- ❖ When there is a snowfall of more than two inches, Residents are ask to park vehicles in the driveway or garage while plowing operations are in progress. This gives the Public Works Department the opportunity to plow the streets.
- ❖ Please DO NOT throw snow from your property into the streets since this can create a hazardous condition.
- ❖ When shoveling or plowing snow from your driveway, pile the snow to the left side of the driveway (when facing your house). This will help prevent snow from accumulating again on your driveway when the snow plows come through your neighborhood.

Basketball backboards placed on the right of way create a problem for the snowplow drivers. During the snow removal operations please remove backboards as soon as possible and any items you may have in the right a way that would cause a problem for the snow plows.

Mailboxes: Please make sure your mailbox is attached securely to the post so snow mounds or snow from the plow does not dislodge. The Village will only repair or replace mailboxes/posts that have visual damage from our plow trucks.

According to USPS regulations the face of the mailbox must be between 6 to 9 inches back from the edge of the pavement or curb, height from the ground to the bottom of the mailbox must be between 41 to 46 inches.

The Snow & Ice Control Program was established to combat winter storms while maintaining public safety and preventing damage to life and property. Please visit the Village's website for addition information and FAQ's at <http://www.villageofroundlakebeach.com/174/Public-Works>

Village's Mobile App Available

The Village's mobile app was released to the App Store and Play Store. Download the Village of Round Lake Beach's iPhone App at:
