Shop With a Cop Helps Children Have a Merry Christmas

The Round Lake Beach Police Department would like to thank all of the community members who donated money and/or time to our Shop with a Cop program. Local police officers were paired up with children who come from lower income families, or may just be facing difficult times this holiday season. The officers took children shopping at the local Walmart, where they spent \$100 on things they needed and were required to purchase at least one toy for themselves. This year we helped 50 Round Lake Beach children have a very Merry Christmas.

The Round Lake Beach Police Foundation accepts donations for Shop With a Cop year round and we appreciate your continued support.

General admission \$15

Use promo code NEWSLETTER for \$2 off either concert!

Tickets at rlbciviccenter.com or 847-201-9032

From the Mayor

Happy New Year! We hope you had a joyous Holiday season.

This year, the Village will continue holding Fireside Chats, bringing county and state officials closer to local residents with the goal of discussing events and happenings in Lake County and around the state.

Fireside Chats are held at the Center from 6:00 p.m. – 7:30 p.m. Evenings include a Meet and Greet; an informal conversation with the elected official, myself and a moderator, and a Q&A session. Coffee and light refreshments will be provided. Fireside Chats are free of charge and open to all residents.

The next Fireside Chat is on Wednesday, January 10, with guest Mary Ellen Vanderverter, Lake County Recorder of Deeds. Then, on March 8, there will be an offsite Fireside Chat at the Solid Waste Agency of Lake County, with Executive Director Walter Willis.

Finance Committee
3rd Monday, 6:00pm

Economic Development Committee
3rd Monday, 6:30pm

Visit Village website for
agendas & minutes.

From the Community Development Director

Residential Permitting Made Easy

Are you looking to make improvements to your home? Possibly add a deck or replace the aging roof? In the coming weeks, the Village will be launching a new page on its website devoted strictly to residential permitting. You will receive specific guidance on every type of residential permit, including how to submit your permit application, which documents to include, fees, required inspections and much more. Online permit applications will also be accepted. As always, help is always available from our Economic and Community Development staff at (847) 546-5321.

Rental Certification Renewal Due March 31

Time is running out! Avoid late fees by insuring your rental certification is fully renewed by March 31. This includes a successful inspection demonstrating code compliance, being up to date on all Village fees, and current certification on the Crime-Free class. Contact Rose Hollingsworth at (847) 546-2351, ext. 346, or rhollingsworth@rlbeach.org for more information.

Snow and Ice Control

During a snow or ice event everyone is tasked with making our streets reasonably safe for residents. This responsibility includes providing snow and ice removal for the Village's 80 centerline miles of streets, 92 cul-de-sacs, and Village-owned parking lots. There are several ways you can help keep the Village safe during the winter:

- **NO PARKING on any street within the village limits at any time after snow begins to fall and for a period of eight hours after snow stops falling when the snow on the streets exceeds two inches in depth, or until snow removal operations are completed.**
- When you are driving in snow and icy conditions, you will be sharing the road with snow plows. The two most important things to remember:
 - Slow Down
 - Stay Back, Don't Crowd the Plow
- Please DO NOT throw snow from your property into the streets since this can create a hazardous condition.
- Shovel snow before it turns to ice to limit the need for deicing chemicals like rock salt.
- Use salt substitutes that are less harmful including Calcium Chloride (CaCl₂) and Calcium Magnesium Acetate (CMA).

For additional information with Snow and Ice Control please visit our website at <http://www.villageofroundlakebeach.com/339/Snow-and-Ice-Control>

Mailboxes

Please make sure your mailbox is attached securely to the post so snow mounds or snow from the plow do not dislodge it. The Village will only repair or replace mailboxes/posts that have visual damage from our plow trucks. According to USPS regulations the face of the mailbox must be between six to nine inches back from the edge of the pavement or curb. Height from the ground to the bottom of the mailbox must be between 41 to 43 inches. The deadline for reporting a damaged or broken mailbox or post to Public Works for repair/replacement is **May 1st**.

Electronic Recycling

The drop-off area for electronic recycling is located at the Grayslake Public Works Facility, Recycling Center, 585 Berry Ave, Grayslake, open Monday through Friday, 7:00 a.m. – 3:30 p.m., and Saturday 8:00 a.m. to noon. If you have any questions about recycling, you can visit www.swalco.org or call SWALCO at (847) 336-9340.

Sign Up for Paperless Billing

Paperless Billing (E-Billing) makes it more convenient for the customer to receive the bi-monthly water and sewer bill from the Village. A PDF version of the Water & Sewer Bill is emailed to the desired email address.

Sign up online at: <http://villageofroundlakebeach.com/FormCenter/Finance-7/Electronic-Billing-Application-69>
