

VILLAGE OF ROUND LAKE BEACH *Illinois*

Beach Bulletin

September—October 2018

From the Round Lake Beach Police Department

The annual Shop with a Cop event is rapidly approaching and we need your help. Our goal is to raise \$5,000 between now and Thanksgiving, and then take 50 kids Christmas shopping.

The entire program is run with volunteers, so all donations go directly to the children. Please make your check payable to the Round Lake Beach Police Foundation. All donations are tax deductible.

Back to School Safety

Now that school is back in session, please pay closer attention and use caution when driving in school zones, especially when children are present. Parking signs surround all of the Round Lake Area Schools and are there for the safety of the children.

Please observe all laws when passing a stopped school bus with the stop arm extended. Illinois law specifies that when a school bus is traveling on a two-lane roadway and is stopped to pick up or drop off pupils, the vehicles in all lanes of traffic must stop. Vehicles should stop at least 20 feet before reaching the school bus to allow pupils to cross the roadway safely.

When a school bus is traveling on a four-lane roadway with at least two lanes of traffic traveling in the opposite direction, only those lanes of traffic traveling in the same direction as the school bus must stop.

Save the date: October 20, 3:00—7:00 PM Fall Bluegrass Concert

The sounds of Bluegrass and Americana music, combined with a traditional Door County fish boil, create the perfect setting for an autumn outing at the Round Lake Beach Cultural and Civic Center. Bring your lawn chairs and enjoy an afternoon of music, food, and activities.

WheelHouse

The music lineup opens at 3:30 pm with the **Georgia Rae Family Band**, featuring champion fiddler Georgia Rae and her sister Kelly Jo on the ukulele, kazoo, and vocals followed by Americana band **WheelHouse**.

Fitzgerald's Genoa Junction, Scotty's Hot Dogs, and beer and wine will be available for purchase. Visit www.rlbccivcenter.com to pre-purchase meal tickets through Eventbrite. **Pre-purchased meals are guaranteed; same day orders will be limited.**

Georgia Rae Family Band

FREE activities include hayrides (from 3:00 - 5:00 PM) and live music all afternoon!

From the Mayor

Work has begun on the Northshore Medical Center at the corner of Rollins Road and Hook as you enter Round Lake Beach from the east. This will be a great addition to the medical services already offered in Round Lake Beach. We look forward to an increased business presence which helps fund all the services Round Lake Beach provides to our residents. Please keep supporting the businesses in Round Lake Beach and more will locate here!

We are seeing more small businesses open along Cedar Lake Road, Hainesville Road and Fairfield Road. This is great for our residents and those entrepreneurs that risk what they have to make their dream of owning their own business a reality. Please speak with our Economic Development Director if you are interested in opening a business in Round Lake Beach.

National Night out was once again a huge success. We had rain early that did cut into attendance, but we still had a great turnout! Bringing neighbors together in a nice social setting, sharing a hot dog and music helps us to understand and accept each other and our differences. We are **ONE** community. Together we can achieve much more.

Mayor Richard H. Hill

From the Community Development Director

Landlord Update (Rental Certification Program)

The Residential Rental Certification Program is underway, and renewal is now easier than ever. You will receive a customized email around October 1 stating everything that you as a landlord personally need in order to renew, including the date and time of your inspection(s), status of your Crime-Free certification, and amount due. Be sure to look for and save this email as a reference.

Steps to Renew:

1. Successfully pass the inspection (unless you qualify to skip this year's inspection)
2. Submit a completed application form
3. Pay the renewal fee
4. Update your Crime-Free Certification, if needed
5. Resolve any outstanding enforcements, payments and/or liens with the Village

The RRCP page on the Village's website provides a wealth of information, including links to the application form, online payment, Crime-Free certification, all program guidelines and the inspection checklist.

Email communication is now required. All notices and correspondence will be sent via email, and certification will not occur without a valid email address for owners and property managers. Please direct all questions, applications, etc. to our centralized email below for the fastest response:
RENTALCERTIFICATION@roundlakebeachil.gov

And finally.....exciting news! More than 400 units will be eligible to skip this year's inspection and qualify for a 50% reduction in the renewal fee. Per our ordinance adopted last year, properties qualify for this if they pass the inspection the first time around and complete all other requirements by deadline. The Village is thrilled to see so many landlords take advantage of this new incentive.

Monthly Village Meeting Schedule

Council Meeting

2nd & 4th Mondays,
7:00pm

Public Safety Committee

1st Monday, 6:00pm

Public Works Committee

1st Monday, 6:30pm

Economic Development Committee

3rd Monday, 6:30pm

Beginning in October 2018, the meeting schedule will change. Please visit the Village website to access the new meeting schedule, and to view agendas & meeting minutes.

From the Department of Public Works

Sewer System Do's & Dont's– Protect Your Home!

Village crews are responsible for maintaining approximately 70 miles of various sized sanitary mains including seven sanitary wastewater pumping stations. Maintenance includes routine cleaning, troubleshooting, and repair of cracked or broken sewer tile. The Village only assumes responsibility for the public sewer main line. Property owners are responsible for the maintenance and repair of their sewer lateral, the service line that connects their house to the public sewer. Improperly maintained sewer laterals can result in sewer backups, which can cost residents thousands of dollars in repair and clean-up costs. Here are some helpful tips to prevent sewer backups:

- DO NOT** flush paper towels, sanitary products, diapers, or baby wipes. Sanitary sewer systems are only designed to handle used water, human waste, and toilet paper.
- DO NOT** pour grease, fats, and oils from cooking down the drain.
- DO** consider regular preventative maintenance on your sewer lateral. For example rodding to keep solids and tree roots clear. Also consider televising your lines can be more effective in detecting potential problems, such as cracks in the lateral.

Save up to 5% on your water rate. Sign up for paperless billing (3% discount) and auto/debit/charge (2% discount).

No Leaf or Brush Burning

Autumn is here once again, just a reminder: The Village of Round Lake Beach does not allow open burning, including, but not limited to, leaves, small branches, twigs, trees, paper, grass clippings, rubbish or any other type of vegetable matter at

any place within the corporate limits of the Village.

Yard Waste/Leaf Pickup

From October 22nd through December 1st leaf bags will be picked up for free. **Only Leaf Bags.**

You may dispose of leaves and other yard waste in brown paper yard waste bags or in 32-gallon cans marked yard waste with yard waste stickers on them. Residents may put up six bags or six 32-gallon cans out per week. If you already subscribe to the yard waste program you do not need a yard waste sticker. Maximum weight per bag or can is less than 50 pounds; branches must be bundled and tied with string or twine and have a yard waste sticker on them. Individual branches and limbs may be no thicker than 2 inches in diameter.

Mulch

Free mulch is available to Round Lake Beach residents at the Public Works Facility located at 911 Lotus Drive. Mulch is generated from tree trimming and removal. Residents are invited to bring their own shovel and containers. Mulch is available at any time - no appointment is necessary.

Electronic Recycling

Electronic Recycling is located on Sunset Drive South of Hawthorne Drive at the gated Sanitary Plant in Round Lake Beach. It is open Monday through Friday 7:30 am to 3:00 pm, Saturday 8:00 am to 1:00 pm. It will not be open on Sundays or Holidays. If you have any questions about recycling, please call Round Lake Beach Public Works at 847-546-8752. You can also go to our web site at www.roundlakebeachil.gov.

Recycling Contamination Reduction Program Information

The Village along with Waste Management and SWALCO are asking Round Lake Beach residents to help keep unacceptable materials such as plastic bags and plastic wrap out of your recycling carts. Beginning late July 2018, Waste Management and SWALCO will be placing informational tags on your recycling cart. We ask that you help by following three simple rules when putting the things in your recycling cart.

1. Recycle all bottles, cans, paper and cardboard.
2. Keep food and liquids out of the recycling.
3. Empty recyclables directly into your recycling cart – No bagged recyclables

If you find a red tag on your recycling cart that means that we found contaminants in your recycling. The collection truck driver will note on the red tag what materials are not acceptable. The driver will then collect the contents of the recycling cart. The following week your recycling cart will once again be checked to verify that you are no longer placing contaminants in with your recycling. If contaminants continue to be found, your cart will again be red tagged and the contents of the cart will not be collected. Contaminated recycling will then be picked up on your next regular service day provided that the unacceptable materials have been removed from the recycling cart.
